ELMWOOD / PRAIRIE GREEN / KUEHN PARK SEASON PASS BREAK-EVEN POINTS - Before 3/1/2017

For those considering a season pass, here are the “break-even” numbers for each course and type of pass. If your level of play is above these levels, the season pass is always your best deal compared to daily fees. For those close or slightly over the breakeven point, a punch pass could be a better option. Unless noted, the “break-even” numbers are figured as 18 hole equivalents, with 9 hole rounds counting as 1/2 of a round.
