

# GOLF CAR SEASON PASS RULES AND INFORMATION - 2017

## CHECKING IN and USE OF GOLF CAR AT OTHER COURSES

Your golf car pass will be honored at all three courses. Your pass card contains information about your pass and should be shown to the pro shop staff when you check in. As much as we try, not every staff member can be expected to remember the individual details of every passholder. So please be prepared and bring your pass card with you when you check in.

## 9 HOLE PASSES

Valid for 9 holes per day. Regular golf car rates apply for additional holes played. If you have a 9-hole pass and end up playing 18 holes, it is your responsibility to pay the appropriate fee for the 2<sup>nd</sup> 9.

## WEEKDAY PASSES

Regular golf car rates apply on weekends and holidays. If you have a weekday pass and play on the weekend, it is your responsibility to pay the appropriate fee.

## COUPLE/FAMILY PASSES

Must be purchased in conjunction with a Couple Season Pass. For family passes, an adult must drive the cart.

## SINGLE RIDER CARTS

**Passholders will pair up if another single rider cart joins the group.** Each group on the course will use the minimum number of carts necessary to accommodate the riders in the groups. A group with 2 riders will be allowed one golf car. If you get to the tee and there are two riders with two carts, you will be expected to pair up so that there is only one cart for that group.

## RIDERS

**Anyone riding with any passholder must pay the regular rate.** Your cart pass is only good for your seat on the cart. If others ride with you, they must pay the appropriate fee. This includes other golfers in your group who sign up to walk or are pulling a cart, but end up getting “rides” around most of the course if there is an empty seat on the cart. An occasional ride from the green to the next tee is acceptable, but anything more than that is equivalent to renting a golf car without paying for it. If you have players in your group who abuse this rule and you would like us to speak with them, please let us know.

## UNAVAILABILITY OF CARS

There may be an occasional day where tournaments, heavy play, or wet conditions will make cars unavailable.

Thank you for your cooperation as we apply the rules for golf car usage fairly to all the golfers at the courses.

**Elmwood Golf Course – 2604 West Russell St. 57104 – 367-7092**  
**Prairie Green Golf Course – 600 East 69<sup>th</sup> St. 57108 – 367-6076**  
**Kuehn Park Golf Course – 2901 Kuehn Park Road 57106 – 362-2811**
