

**CITY OF SIOUX FALLS GOLF COURSES  
2017 PUNCH PASS INFORMATION**

## **PUNCH PASS REGULATIONS**

Punch pass credit may be used at Elmwood, Kuehn Park or Prairie Green. Each time the pass is used, the appropriate daily green fee, cart fee, or pull cart fee will be subtracted from your outstanding credit.

Your punch pass is now valid for all posted daily fees, including military, senior, junior, ladies, Dew Duster, and twilight. **MAXIMUM 12 ROUNDS** on any day. **After September 4, 2017 punch pass owners who have used all of their credit will receive 20% off green fees for the remainder of the season.**

## **REGISTERING FOR PLAY**

Passholders **must present their punch pass card** whenever registering for play at any of the courses. Checking in with your pass card is faster and more accurate. You will be required to sign a receipt each time you play.

## **AUTHORIZED USE OF YOUR PASS BY OTHERS**

For your convenience, we will issue up to four pass cards. The purchaser is responsible for all rounds played with issued pass cards. Lost or stolen cards should be reported immediately and a new pass number will be issued. There may be occasions where you want to authorize play on your pass when you will not be playing. As an example, if relatives were in town and wanted to play but you could not join them, you could authorize us to use your punch pass credit. The best and easiest way would be to give them your pass card and either write a note or phone the course where they will be playing.

## **ACCOUNT BALANCES**

Up to the minute punch pass account information is available at all courses with the current balance appearing on the bottom of your receipt each time you play. You may request your usage history at any time.

## **COURSE RULES AND REGULATIONS**

Passholders agree to abide by the rules and regulations of the golf courses, including but not limited to the following:

- Pace of play requirements.
- Registration procedures.
- Tee time procedures.
- Golf course etiquette, replacing divots, repairing ball marks, and raking traps.
- Golf car regulations.
- Responsible use of alcohol by adults.
- Food and beverages must be purchased at the golf course.
